Application Areas

House

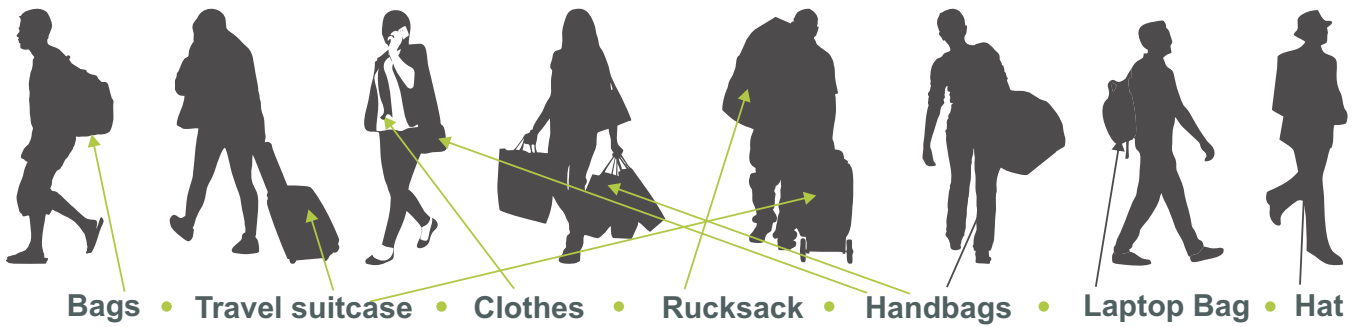

Hotels & Restaurants

Factories Work Place

Silent Carriers of Virus

Why Alpha

Global Presence

We have a strong network of 800+ resellers and agents spread in 11 countries with over 153000 installations

Indigenous Manufacturing

Each component of our product is engineered to highest precision and meticulously designed.

Excellent Service

We have a strong service network and various warranties available on every product

R&D

Our engineers are constantly innovating products to positively impact industry and work towards saving environment and energy
